MISCELLANEOUS DEPARTMENT.

GOVERNMENT OF MYSORE STORES PURCHASE COMMITTEE, BANGALORE.

Notice No. S. P. C. 2578, *dated* 12*th May* 1924.

Sealed tenders will be received in the office of the undersigned up to 12 noon on Monday the 9th June 1924, for the supply of miscellaneous articles required for the Government Press during 1924-25.

2. The approximate quantity and description of the materials required are given in the annexed statement and tenders should be sent in the form of that statement duly noting in the column left blank the rate at which each article will be supplied. The cover should bear the superscription 'Tenders for the supply of miscellaneous articles for the Government Press".

3. The rates which should be inclusive of the cost of delivery either at the Branch Press, Mysore, or at the Central Press, Bangalore, should hold good for a period of twenty-one days from the date fixed for opening tenders. The whole of the material should be delivered within one month from the date the acceptance of the tender is communicated to the successful tenderer.

4. The earnest money of Rs. 100 which should be either in currency notes or in the form of a cheque on the Imperial or the Mysore Bank, Bangalore, as well as samples should accompany the tender, without which the tender will not be considered.

5. Final acceptance of the tender will rest with the Stores Purchase Committee who do not bind themselves to accept the lowest or any tender or to assign any reason whatsoever for the rejection of any tender. If any tenderer withdraws from his tender before the acceptance or rejection of his tender is communicated to him or when the tender is accepted fails to deposit the security amount and execute an agreement for the due fulfilment of the contract, as specified below, the earnest money deposited by him will be forfeited to Gov ernment.

6. The name of the successful tenderer will be notified in due course and he will be required to deposit as security the amount noted against the article in column 4 and to execute an agreement for the due fulfilment of the contract within eight days of the intimation of acceptance of the tender. The earnest money on rejected tenders will be returned.

7. In case of dispute as to whether the materials supplied is similar to that of sample deposited by the firm, the decision of the Stores Purchase Committee shall be final.

Schedule.

Notice No. S. P. C. 2610 dated 13th May 1924.

Sealed tenders for the supply of about 500 pallas of good and cleaned kulthi required for the Government Stud Farm at Kunigal will be received by the Secretary, Stores Purchase Committee, Public Offices, Bangalore, up to 12 noon on Saturday the 7th June 1924. The contract will be for the period from the 1st of July 1924 to the end of December 1924.

Conditions.

1. The quantity given is only approximate. The purchase of the whole quantity is not guaranteed. The contractor should be prepared to supply larger quantities if called upon to do so.

2. The tender should be in the form given below, and should state clearly the rate at which the grain can be supplied at Kunigal throughout the half-year in column 3 of the statement left blank.

3. Every tender should be accompanied by an earnest money of Rs. 100 either in cash or in the form of a cheque on the Imperial or Mysore Bank. The earnest money will be forfeited to Government, if the tenderer whose tender is accepted fails to execute the agreement for the due fulfilment of the contract and to furnish security as specified in para 3 below or if the tenderer withdraws his tender before the acceptance or non-acceptance of his tender is communicated to him. In the case of rejected tenders, the earnest money will be returned.

4. The successful tenderer will be required to execute an agreement within a week from the date of acceptance of tender binding himself to the conditions of the contract and to deposit one-tenth of the accepted tender amount as security for the due fulfilment of the contract. The amount so deposited will be returned to him on the termination of the contract at the end of the period.

5. The Superintendent, Government Stud Farm, Kunigal, will indent on the contractor for the quantity of the grain (cleaned as described above) required from time to time and the contractor should supply the quantity indented for at the Stud Farm at Kunigal and obtain receipts in token of the supply made.

6. The contractor should present his bills for supplies made by him to the Superintendent of the Kunigal Stud Farm who will arrange for payment of the amounts due to the contractor.

7. No application from the contractor for any sort of concession whatever in consequence of the rise in the price of the grain in the market due to scarcity, or other causes will be considered.

8. Should the contractor fail to comply with any of the conditions detailed above, his contract will be forthwith cancelled and deposit forfeited to Government. The contractor will also be bound to make good to Government any loss which may arise from his failure to supply the grain contracted for or by Government having to purchase the grain specified in the contract in the local markets at a higher rate than that contracted for.

9. The Stores Purchase Committee reserve to themselves the right of finally accepting or rejecting any tender without assigning any reason therefor.

10. In all matters of dispute as regards the quality of the article supplied, the decision of the Stores Purchase Committee will be final.

Statement showing the approximate quantity and description of the grain required.
